5) The C.E has written to the chairman to the effect that on receipt of orders ~~of Govt~~ Sri G. Nanjundiah will be promoted as Sub Engineer from 1.4.55

6) According to the Chairman's recommendation the date of conversion of the post can be only with effect from the date of G.O. as casual leave prospective effect as 3 overseers are already working

7) In the above circumstances the point for orders is whether one of the posts (of 3) may be converted to that of a Sub Engineer and Sri G. Nanjundiah may be permitted to be appointed as such against the post only after the C.E issues a memo promoting him as such, temporarily for the present, as proposed by the Chairman

Adverting to Government Order Nos.L.12216-9/I.T.B.7-54-8 dated 4-1-55 and L.472-5/I.T.B.13-55-3 dated 4-4-55, according sanction to the estimate for Rs.5,16,350/- and Rs.1,56,500/- respectively for construction of Officers' and Staff Quarters at Jayamahal and Oaklipuram Extensions, I write to state that the entire work is now under progress in Jayamahal Extension and the Services of the disbanded staff sanctioned for the Sewage Disposal Scheme have been utilised in anticipation of sanction of Government vide this Office Nos.Ac.15/Est.55-56 dated 2-4-55 and 582/Est.55-56 dated 2/3-5-55 (Copies enclosed).

This letter is enclosed with file No. 582 regarding the continuance of establishment.

The Engineer Officer of the Trust Board reports that the Services of an experienced Sub Engineer to supervise this work are absolutely necessary and requests for the creation of the post of a Sub Engineer for this work.

Accordingly Sri G. Nanjundiah an experienced Overseer who is in the run for promotion as Sub Engineer has been specially got transferred from the Bangalore City Corporation. The Chief Engineer of Mysore who was also addressed in the matter is agreeable to continue Sri Nanjundiah in the Trust Board after his promotion as Sub Engineer, Copy of Chief Engineer's letter No.24206/Est.54-55 dated 24-3-55 is enclosed for information.

The working strength of the executive staff in respect of all Trust Board works is 12 Suboverseers and 3 Overseers. It is now proposed to reduce the strength of Overseers from 3 to 2 and to create the post of a Sub Engineer. Necessary proposition statement is enclosed.

I request that sanction of Government may kindly be

CITY IMPROVEMENT TRUST BOARD,

Bangalore, dated... 2nd ....May ....*1965*.

D.O. No.

Dear Sir,

With reference to your letter No.L.1176/I.T.B.79-54-4 (Staff) dated 26-4-55 directing that the Staff entertained in connection with the Sewage Disposal Scheme at Vrishabhavathi Valley in Mysore Road, be disbanded immediately as per orders already communicated in letter No:L.15523/I.T.B.50-53-59 dated 28-3-55 I write to state as follows:-

Urgent building works estimated to cost about 6.7 lakhs in Jayamahal Extension and 2.8 lakhs in Kumarakrupa have been started and have to be carried out departmentally and also completed before the end of this year. It is therefore absolutely necessary that there should be a special staff for these works and the existing staff cannot be told off for this. There is no Store-keeper in Trust Board and to maintain a proper account of large quantities of Store articles and materials, the services of a Ist Division Clerk is also absolutely necessary.

The Board has programmed heavy works during 55-56 and a statement showing the distribution of works among the existing staff is herewith submitted for reference.

The present sanctioned strength of the Executive Officers and Subordinates of the Board is one Engineer Officer, 4 Assistant Engineers, 2 Surveyors, 3 Overseers and 19 Suboverseers. The working strength is also the same except with regard to Suboverseers which is only 13 at present. After retrenching the Staff of the Vrishabhavathi Valley the Staff will be 1 Engineer Officer, 3 Assistant Engineers, 1 Surveyor, 3 Overseers and 16 Suboverseers. Out of the 13 Suboverseers that are actually working at present, one more Suboverseer will be sent away reducing the working strength to 12 as directed in your letter of 26-4-55 referred to above. The extra staff now required for the building works at Jayamahal and Kumarakrupa is one Assistant Engineer. 1 Surveyor, One Ist Division Clerk and Two Peons. After disbanding the Staff of the Vrishabhavathi Valley with effect from 1-4-55, the above staff of 1 Assistant Engineer, 1Sruveyor, One Ist Division Clerk and Two Peons out of the disbandod staff will be continued and sanction for this staff for a period of one year from 1-4-55 may kindly be obtained and communicated.

P.T.O.

(5)

As the staff has been continued in the interest of work from 1-4-55 in anticipation of approval and they will be put to much inconvenience for want of pay for April 1955, the - - Controller, State Accounts Department, may kindly be authorised to admit the pay for - - April 1955 provisionally pending formal sanction to the continuance.

Yours Sincerely,

(Sd) D.R. Cheeranchaiya

Subject:- Sewage Disposal Scheme in Vrishabhavathi Valley

8735

With reference to letter No.L.15523/I.T.B.30-53-59 dated 28-3-55 regarding the above, I write to state that as directed therein, the marginally noted staff at present attached to the above scheme will be released after 31-3-55 but continued from 1-4-55 against the establishment proposed for the construction of Officers and Staff Quarters in Jayamahal and Model Houses in Oaklipuram as already reported in this Office No.8028/54-55 dated 8-3-55. The estimate for these works have already been sanctioned by Government and the tenders accepted by the Board are approved by the Chief Engineer and sanction of Government is awaited. The works will be started early in April 1955 as the preliminaries, are already commenced.

(i)Assistant Engineer	... One.
(ii) Supervisor	... One.
(iii) Suboverseers.	... Three
(iv) Ist Division Clerk	.. One
(v) Peons	Two

I therefore request you to kindly obtain and communicate orders of Government sanctioning the continuance of the above staff with an addition of one Second Division Clerk from 1-4-55. I may add here that, but for this disbanded staff the entertainment of a separate staff for the construction of buildings in Jayamahal and Oaklipuram would have been necessary and this is now obviated by the continuance of the existing staff.

The favour of very early orders of Government in the matter is required.

With reference to correspondence ending with your letter No.Ac.15/55-56 dated 2-4-55, on the above subject, I am directed to state that there is no need to continue the staff entertained in connection with the sewage disposal scheme at Vrishabhavathi Valley in Mysore Road, and to entertain another II Division Clerk for the work referred to above. The services of the staff may be disbanded immediately, as per orders already communicated in letter No.L.15523/ITB. 50-53-59 dated 28-3-1955.

Besides the staff which is ordered to be disbanded, the remaining staff in the Engineering Section and Drainage Section of the Board consists of:-

1. Engineer Officer (Executive Engineer)
2. Three Assistant Engineers
3. Three Draughtsmen
4. One Assistant Draughtsman
5. Three Overseers
6. Sixteen Sub-overseers
7. Three Tracers
8. One Surveyor
9. Seven Second Division Clerks
10. Two Accounts Clerks

It is also considered that there is no necessity to have sixteen sub-overseers in all in the remaining staff (Engineering Section, Additional Engineering Section and the Drainage Section) and that only twelve sub-overseers are sufficient. The remaining staff can conveniently attend to the work in question besides the normal work of the Board. The posts of sub-overseers may therefore

(E6) 9

be reduced from sixteen to twelve and four posts abolished immediately.

I am to request you to distribute the work among the remaining executive staff and go ahead with it. But as work progresses and the need for staff is found to be unavoidable, extra staff can be thought of later on.
